## FUNDRAISING for CHURCH RENOVATIONS

Please help us raise funds for renovations at St. Vladimir's Church in Edmonton, Alberta. Over the years the foundation of the building has started to crumble. A section of the foundation is currently being replaced, but more repairs are needed to preserve the rest of the church.

### **Our founder**

Our founder, Archbishop Ioasaph Skorodumoff of Blessed Memory, first purchased the current building in the 1930s. He added on a residence, digging out the basement by hand and constructing a living area for himself and the small brotherhood of priest monks who served the western diocese. Revered for his pious lifestyle and numerous missionary labours in Western Canada, Archbishop Ioasaph was known to heal sicknesses through his prayers and call down rain upon parched crops. He tended to more than 40 parishes scattered throughout Alberta.
